ABOUT REKAZ

Being established in 2016, Rekaz Developments is a dynamic real estate development company, based to offer sustainable real estate projects with a unique harmony between premium quality, exceptional customer service, and innovative yet environment-friendly buildings that enable their clients to enjoy the experience of living and working in an elegant, smart, secured, and comfortable atmosphere.

Rekaz is a forward integration from Dara Company, which was originally established in 2003 as an architectural consultancy firm specialising in architecture, master planning, interior design, and project management. Dara insists on consistently delivering outstanding residential, commercial, retail, educational, and corporate spaces for our diverse clients. honoured by four awards for unique architecture and innovative designs in local and regional projects.

OUR APPROACH TO UNIQUENESS

Rekaz has an innovative and unique approach to the delivery process of its projects. It strives for and functions individually in its core specialties and adds great value when working in collaboration on any given project. As a result, a new landmark comes to life, starting from land acquisition, concept, and design, all the way to contracting and selling. This business model is built on integration and clear, open communication channels, which have helped prove our rapid growth in the region.

LAZULI

STORY BEHIND

• lazuli has a bounty of vibrant positive energies. It represents compassion, respect and trust. The intense blue of the stone stands for honor, humanity and discretion whereas the purplish tones symbolize grace and sensitivity.

• lazuli is one of the oldest opaque gemstones in history--more than 6,500 years! This deep blue stone includes tiny flecks of mica, like a night sky full of stars. lazuli comes from the Persian word lazhu-ward, meaning "blue".

.ABOUT

A private residential community spread over about 40,000 sqm of land; Lazuli exemplifies affordable luxury and the joy of easy living amidst dramatic scenery only a few steps away from stunning white sandy beaches and lush green landscapes with all-year-round warm weather. This serene community offers a quiet refuge from the hustle and bustle of the city. Escape the routine of everyday life at the perfect destination, right here in Egypt.

A vibrant, high-quality architectural rendering of a modern resort pool area. The scene is set in a tropical environment with numerous tall palm trees and lush greenery. In the foreground, a large, rectangular swimming pool with a wooden deck is visible, featuring two small waterfalls. The pool extends into the background, where several people are seen relaxing. To the right, there are lounge chairs and cabanas with white curtains. In the background, modern, multi-story buildings with white facades and colorful accents (red and yellow) are visible. The sky is clear and blue, suggesting a bright, sunny day. The overall atmosphere is one of luxury and relaxation.
