Hurghada:

Stunning coral reefs and turquoise safe waters with holiday villages and hotels providing aquatic sport facilities for windsurfers, kite-surfers, yachtsmen, scuba divers and snorkelers have made Hurghada, on Egypt's Red Sea Coast, a busy resort town. Known for its watersports activities, nightlife and warm sunny dry weather year-round.

Many Europeans have chosen Hurghada for their regular holidays. Within easy reach of the stunning Giftun Islands and the Eastern Arabian Desert, Hurghada has seen enormous amounts of development in the past decade. The city, once a small fishing village has been continually enlarged by Egyptian and European investors to become the leading coastal resort on the Red Sea with the current major industry; foreign and domestic tourism, owing to its dramatic landscape.

Walk or catch a cab to explore the old quarter, El Dahar where the town's traditional bazaars, post office, banks & markets reside. Along El Mamsha you find many of Hurghada's luxurious hotels, malls & clubs. The city is served by Hurghada International Airport with scheduled passenger traffic connecting to Cairo and directly with several cities in Europe.

A new terminal was also opened in 2015 to accommodate rising traffic. Hurghada is a safe environment for families and their children which accommodates Russian, German, French & International schools.
